# *Connecting to DETNSW WiFi -* **Mac OS**

Step 1

Click on the WiFi icon 🛜 at the top right of the screen.

- Here, make sure the WiFi is turned on.

- Then select **'DETNSW'** from the list of networks, and type your school login in the popup box then click '**Join**'

** You must use **@detnsw** at the end of your username e.g John.citizen@detnsw

Step 2

Click on the WiFi icon 🛜 again.

- This time, select '**Open Network Preferences...**' at the bottom of the list.

- Click '**Advanced**' then under the '**Proxies'** tab make sure '**Auto Proxy discovery**' & '**Automatic Proxy Configuration**' are both **ticked**.

- Click '**OK'** then '**Apply**' to save these settings.

Step 3 - Repeat this every day

Open your Internet browser of choice eg. Safari, Chrome

- In the address bar type **detnsw.net** and hit enter

- The *DoE Internet At Edge Authentication Portal* should appear.

-Use the same username/password as before and click '**Login**'

**This enables your device to access the Internet for an 8hr period so needs to be done each day.
